ENTRY & QUALIFICATION

HOW CHAMPIONSHIPS WORK

UDJC awards championship titles through separate Open, Elite Youth and Young Horse paths in Jumpers, Hunters and Dressage. Qualification eligibility is different for each path. The entry-path section specifies the classes to select; the championship appendix governs eligibility and scoring.

OFFICIAL RULEBOOK — TAP TO OPEN

Official Circuit Championship Finals Appendix (PDF)
All UDJC rulebooks and appendices

Open Championships

All ages, at the level for which the rider qualifies. Qualification belongs to the rider, so qualifying scores may be earned on different horses. Qualifying results may come from Foundation or Circuit Shows. Jumpers generally require six qualifying style results of at least 6.5, six clear timed rounds or a permitted combination; Dressage requires six qualifying results of at least 6.5 / 65% in the relevant category; Hunters require two divisional averages of 6.5 or higher. Open Championships use ranking protection.

Elite Youth Championships

Age-group championships for Pony, Children, Juniors and Young Riders. Qualification belongs to the specific horse–rider combination and comes from UDJC Circuit Shows. Guaranteed qualification requirements vary by

discipline and division; remaining positions can be assigned by the points-based Lucky Loser system. Age is determined by calendar year. Check the appendix for exact age and eligibility rules.

Young Horse Championships

Age-based championships that recognize suitable, progressive development. Qualification belongs to the horse, with at least three qualifying starts required. A qualifying performance can secure a guaranteed place; remaining positions are determined from the horse's best three qualifier results. Young Jumpers up to age six, Young Horse Dressage and Young Hunters use an opening / qualifying / final sequence; seven-year-old Young Jumpers use timed classes.

ENTRY, PARTICIPATION & SAFETY

ENTRIES

All show entries, including championship classes, regular classes, warm-ups, clinics and stabling requests, are managed through the UDJC Show Manager App or www.udjc.app.

REGULAR CLASSES

The show is open for everyone, subject to the applicable class and UDJC performance-level rules. Championship eligibility must be earned separately. A regular class entry does not automatically constitute a championship entry.

CHAMPIONSHIP COMBINATIONS

One horse per rider at each Open or Elite Youth championship level; up to three horses per Young Horse division. Every class within an entered Championship must be completed by the same horse–rider combination, even when qualification belonged only to the rider or horse.

HORSE HEALTH & SAFETY

Bring current Coggins and required vaccination records. The UDJC Rulebook, Equipment Catalog, and host venue rules apply; follow show-office instructions for any other arrival requirements.

SCHEDULE UPDATES

Class numbers and days are printed here; individual start times and running order will be published separately by show management. Show management may adjust schedules as permitted under UDJC rules.
