# LEVEL UP POINT SYSTEM:

Points are awarded for placings.

In higher-level classes, placings are worth more points.

Field size multipliers ensure **large classes** reward **more points**.

Place	B	E	A*	A**	L*	L**	M*	M**	S*	S**/**
1	1	5	10	15	25	37	65	165	415	1050
2	1	4	8	12	20	30	52	130	330	840
3	1	3	7	10	17	25	44	110	280	710
4	1	2	6	9	14	21	36	90	230	580
5	1	1	5	8	12	18	30	75	190	480
6 ff	1	1	4	7	10	15	25	65	165	415

Trips	Factor
1-4	0.5
5-7	0.75
8-11	1
12-15	1.25
16-20	1.5
20-25	1.75
26+	2

**Example: A 1st place finish in an A\*\* class earns 15 points. Since the class had 16 trips, refer to the Trips/Factor table to determine the multiplier.**

**In this case, 15 points × 1.5 = 22.5 total points.**

**This system guarantees fairness: no rider advances without both consistency and quality results.**
