

2024 UDJC Jumping Level B

Event	Date	Judge	Class No
--------------	-------------	--------------	-----------------

Category C, RB Art. 301

The class can contain up to 4 riders who perform a little dressage Level B for about 5-7 min.

Depending on the judge's preference, riders may perform in a line or in no specific order.

Each rider performs the jumping part individually.

The jumping part consists of 5-6 jumps, two of them should be jumped from the trot. There can be 1-2 dressage directives during the course like a halt or a circle.

After the test is completed, the judge must provide feedback on the rider's performance directly to the rider.

The award ceremony will take place after the full class (not after each group of 4). Each rider receives a ribbon.
